These forward-looking statements are based largely on the Group’s current expectations as of the date of this Annual Report and are subject to a number of known and unknown risks and uncertainties and other factors that may cause actual results, performance or achievements to be materially different from any future results, performance or achievement expressed or implied by these forward-looking statements. In particular, the Group’s expectations could be affected by, among other things, uncertainties involved in the integration of acquisitions or new developments; changes in legislation or the regulatory regime governing healthcare in Switzerland, South Africa, Namibia and the United Arab Emirates; poor performance by healthcare practitioners who practise at its facilities; unexpected regulatory actions or suspensions; competition in general; the impact of global economic changes; and the Group’s ability to obtain or maintain accreditation or approval for its facilities or service lines. In light of these risks and uncertainties, there can be no assurance that the forward-looking statements made in this Annual Report will in fact be realised and no representation or warranty is given with regard to the completeness or accuracy of the forward-looking statements contained herein.

The Group is providing the information in this Annual Report as of this date, and disclaims any intention to, and makes no undertaking to, publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
